THE CLOCKMAKER IS DEAD.

THE CLOCKS HAVE STOPPED AT 12:07.

Welcome to Marrowby, a sleepy village where the tea is strong and the gossip is stronger. Everyone has something to hide, and the constable needs a sharp mind from outside the village.

Read each short case, solve the word search, and find the hidden clue word. After 50 cases, your clues spell out one name.

- 50 cozy village cases, each with 3 clues
- 15x15 puzzles with a 16th hidden word
- 800 words, in every direction
- Evidence Board and final deduction
- Complete solutions included
